

Hello Everyone!

Whether it's your first time in Medaille Hall or you're coming back, welcome! I will be the RA for your floor this year and I wanted to introduce myself and say hi. My name is Johanna Fleeer; I'm majoring in Middle School Math Education here at Fontbonne University. I'm from Washington, Missouri, which is about 45 minutes west of here.

Just a few fun facts about me: I play soccer, and I have been for quite some time, I play here at Fontbonne. I have also played piano since I was 8 years old. I have a little West Highland White Terrier, named Lily, and I absolutely love her. I've worked and gone to summer camps, so I am hoping that I can bring some fun activities to the floor; if you have any good ideas of things you think would be fun to do, feel free to tell me anytime.

If any idea of something you would love to do- or even NEVER want to do- suddenly strikes you sometime this summer, please email. I am always open to suggestions and would greatly appreciate your input. I hope you have a great summer and I look forward to meeting you this coming year! Until then...

Have fun, be safe and can't wait for this coming year!

Johanna
