

Hello and welcome!

I'm Kim Carter and I am going to be the RA on the third floor of St. Joseph's Hall. I will be in my junior year and continue studying Speech Pathology. I play on the soccer team and I am also a part of student government, NSSHLA, and the student athletic association. I also enjoy running, music, and spending time with friends and family. I am from Rolla, MO and I have loved living in St. Louis and meeting new people!

I lived on the third floor of the Joe my freshman year and loved the experience. Living on campus is fun and a great way to meet so many new people. During the school year we will have a big variety of programs offered. Feel free to email me and let me know if you have any suggestions or let me know what you are interested in! Also, if there are any activities or programs you would especially not want to do you can let me know.

I'm extremely excited to be a part of St. Joseph all again and to meet new people! This year should be extremely fun. I look forward to meeting you all!

Kim Carter
