

Hey Everyone!

I hope that you are all enjoying your summer vacations! School will be approaching before you know it, so I wanted to take a moment to introduce myself to those of your who may not know me.

My name is Lauren and I will be spending the 2011-2012 school year as the resident assistant for the 2<sup>nd</sup> floor of Medaille Hall. This upcoming fall will kick off my junior year at Fontbonne University, where I will continue my study as a special education and elementary education student. As well as studying education, I am a representative of education for the Student Government Association. I am also a huge fan of arts and crafts, being active through zumba and yoga, exploring new places, celebrating birthdays, boutique shopping, and eating delicious food!

I hope to help make your 2011-2012 school year as comfortable, fun, and safe as possible. I would very much enjoy suggestions for floor activities; so in the event that you have an idea, make sure to email me! Any additional questions or concerns are also welcomed- don't ever hesitate.

I look forward to seeing you all in the fall!

Sincerely,

Lauren O'Brien
