

Accreditation Council for Business Schools and Programs (ACBSP)
Quality Assurance (QA) Report
for
Baccalaureate/Graduate Degree Programs
Current as of February 2011

Overview (O)1. Complete all information requested.

Submit your report as an attachment to reports@acbsp.org on or before February 27th or September 30th.

This report should be limited to maximum of 50 pages. The average length of most good reports is 30 pages. To help reduce the page numbers you can remove the ACBSP examples used in this report template to help you complete the report.

O2. Institution Name: Fontbonne University
Address: 6800 Wydown Boulevard, St. Louis, MO 63105

Date February 27, 2011

O3. Year Accredited/Reaffirmed: 2010 / N/A This Report Covers Years: 2010-2011

O4. List All Accredited Programs (as they appear in your catalog):

- Bachelor of Science in Business Administration, including concentrations in Accounting, Finance, Marketing and Management
- Bachelor of Science in Sports Management
- Bachelor of Business Administration
- Bachelor of Arts in Human Resource Management (FKA Bachelor of Arts in Organization Studies)
- Master of Business Administration
- Master of Management
- Master of Science in Taxation

O5. List all programs that are in your business unit that are not accredited by ACBSP and how you distinguish accurately to the public between programs that have achieved accredited status and those that have not.

- Bachelor of Arts in Contemporary Studies
 - Bachelor of Arts in Corporate Communication
 - Bachelor of Science in Sports & Entertainment Management
 - Master of Science in Accounting
 - Master of Science in Nonprofit Management
 - Master of Science in Supply Chain Management
- We distinguish our accredited programs from our non-accredited programs in a statement on our website:
<http://www.fontbonne.edu/academics/academicresources/collegeofglobalbusiness/>

O6. List all campuses that a student can earn a business degree from your institution:

- Main Campus
- Brentwood Campus
- South County Campus
- North County Campus (closing in Summer 2012)

O7. Person completing report Name: Katie Piacentini

Phone: 314-919-0879

E-mail address: kpiacentini@fontbonne.edu

ACBSP Champion name: Linda Maurer, JD, CPA

ACBSP Co-Champion name: Mark Alexander, MBA

O8. Conditions/Notes/Opportunity for Improvement (OFI) to be Addressed

Please explain and provide the necessary documentation/evidence for addressing each condition/note/OFI since your last report.

Are you requesting the Board of Commissioners to remove notes or conditions (attach appendix to QA report to justify the removal):

Remove Note:

Remove Condition: We are seeking to have our condition removed. The condition was placed on Criterion 6.1.3 Common Professional Component. We were asked to provide a table to establish a clearer delineation of how the curriculum(s) meet the CPC requirements. These CPC tables can be found at the end of this document.

Do not remove note or condition. Explain the progress made in removing the note or condition:

We are currently not seeking to have our note removed. Due to budgetary and economic constraints, we have been unable to hire new full-time faculty in the functional areas we listed on our plan. We hope the economy will pick-up and we will be allotted funds for these positions in the future.

O9. The business unit must routinely provide reliable information to the public on their performance, including student achievement.
Describe how you routinely provide reliable information to the public on your performance, including student achievement.

We provide reliable information to the public through the following website:

<http://www.fontbonne.edu/academics/academicresources/collegeofglobalbusiness/assessment/>

Note: This requirement can be addressed in Standard #4, Criterion 4.5 and Standard #6, Criterion in 6.2.2.

Standard #1 Leadership

Organization

- a. List any organizational or administrative personnel changes within the business unit since your last report.
 - The Assistant Chair of Business Administration position has been eliminated, but Mark Alexander is still a faculty member with the College.
 - The Director of the Chrysler Site position has been eliminated and Julie Loyet is no longer with the institution.
 - The Administrator for the Department of Business Administration position has been eliminated and Charles Helbling is no longer with the institution.
 - The Director of the Sports Management Program is presently Dr. Erin McNary.
 - The Assistant Director of Adjunct Faculty for Business Programs position has been eliminated, but Anita Manion is still with the College.
 - The Director of Curriculum and Assessment position has been collapsed and combined with the Director of OPTIONS Adjunct Faculty. The resulting position is now known as the Assistant to the Dean for ECGBPS Curriculum and OPTIONS Faculty which is held by Anita Manion. However, Steve Rankin is no longer with the institution.
 - The Assistant to the Dean, Adjunct Faculty was created is held by Bill Foster.
 - The Assessment Coordinator position held by Rachel Asquith, then Justin Bitner, both of which are no longer with the institution is currently held by Katie Piacentini.
 - The Curriculum Coordinator position held by Pam Siemer, who is no longer with the institution, is held by Jonathan Moberly.
- b. List all new sites where students can earn an accredited business degree (international campus, off-campus or on campus, on-line) that have been added since your last report?
 - None

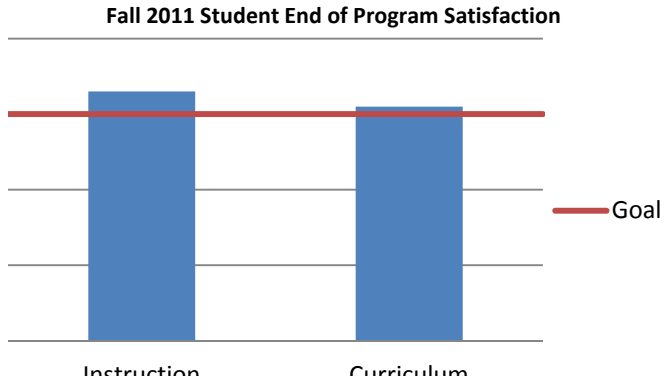

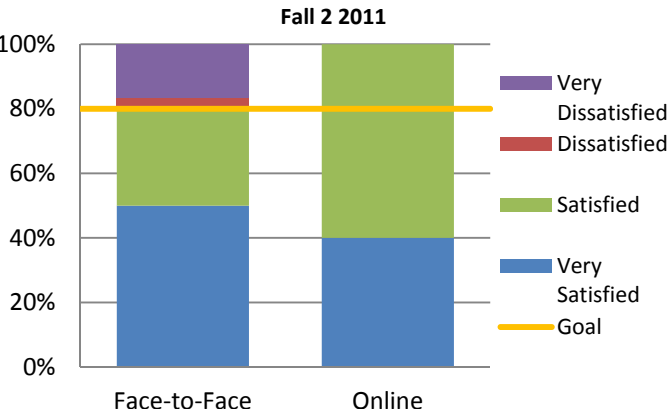

Standard #2 Strategic Planning (this standard not typically addressed in the QA report) This is used as a place holder to allow all the other standards to be addressed in the QA report and keep the numbering system consistent with self-studies and QA reports.

Standard #3 Student and Stakeholder Focus

Complete the following table. Use a maximum of three or four examples, reporting what you consider to be the most important data. It is not necessary to provide results for every process.

Standard 3 - Student and Stakeholder-Focused Results

Student- and Stakeholder-Focused Results																					
Performance Measure (Competency)	Description of Measurement Instrument	Analysis of Results			Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)																
		Areas of Success (results)	Analysis and Action Taken (improvement)	Results of Action Taken (occurs in the following year)																	
Student satisfaction with courses will be at or above 80%	Student end of course surveys	Three years of positive trend data. Improvement in satisfaction with online courses. Standard #4 Measurement and Analysis of Student Learning and Performance

a. Program Outcomes

List outcomes, by accredited program. Many of the program outcomes should be used as part of a student learning assessment plan and be measurable.

- Bachelor of Science in Business Administration (BSBA)
 1. Examine the role that ethical and legal principles play in making socially and fiscally responsible decisions in business.
 2. Examine how businesses can function effectively in a global environment through cultural analysis and strategic alignment.
 3. Utilize effective means to express ideas through both oral and written communication and apply concepts in writing using proper APA format.

4. Analyze decisions through critical thinking and use of quantitative and analytical processes.
 5. Understand the importance of technology in the business environment and effectively incorporate it into business operations.
 6. Demonstrate an understanding of the key functional areas of business-accounting, finance, management, and marketing and their linkages to both success and failure in the business environment.
- Bachelor of Science in Sports Management (SPT)
 1. Demonstrate knowledge of the fundamental principles of the sport management field. In particular, students should possess an understanding of the key functions of management, sport marketing, sport finance, sport communication, sport sociology and psychology, sport law, international sport, and sport governance, and the interaction of these concepts in a practical environment.
 2. Understand global linkages and apply models of cultural analysis to global sport management issues.
 3. Demonstrate a working familiarity with concepts and procedures related to ethical “good practice” and conduct.
 4. Appreciate individual differences and recognize all dimensions of diversity including ethnicity, gender, age, physical differences, sexual orientation, race, and religion.
 5. Develop critical thinking models that include qualitative and quantitative techniques and be able to analyze and solve problems using these models in an ethical context.
 6. Effectively apply a variety of oral and written business and professional communications styles.
 7. Effectively apply technology to analyze and interpret data and understand its potential power in a dynamic business and professional world.
 8. Demonstrate leadership, growth, and the ability to synthesize knowledge both in the classroom and in a practical sport setting
 - Bachelor of Business Administration (BBA)
 1. Examine the role that ethical and legal principles play in making socially and fiscally responsible decisions in business.
 2. Examine how businesses can function effectively in a global environment through cultural analysis and strategic alignment.
 3. Utilize effective means to express ideas through both oral and written communication and apply concepts in writing using proper APA format.
 4. Analyze decisions through critical thinking and use of quantitative and analytical processes.
 5. Understand the importance of technology in the business environment and effectively incorporate it into business operations.
 6. Demonstrate an understanding of the key functional areas of business-accounting, finance, management, and marketing and their linkages to both success and failure in the business environment.
 - Bachelor of Arts in Human Resource Management (FKA Bachelor of Arts in Organization Studies (BOS))
 1. Examine the role that ethical and legal principles play in making socially and fiscally responsible decisions throughout the employment relationship including the hiring process, training, evaluation, and termination.

2. Evaluate how training on multicultural awareness and a commitment to creating a diverse workforce can assist an organization in its ability to function effectively in a global environment.
 3. Effectively express organization viewpoints through written and oral communication throughout the employment relationship including disclosure organizational decisions to employees, drafting job descriptions and employment policies, conducting interviews of prospective employees, facilitating employee training sessions, and implementing performance reviews.
 4. Analyze financial statements, organizational and department structures, and plans for production to effectively assess staff efficiency, forecast staffing needs, and design compensation and benefits systems that promote business viability and employee motivation.
 5. Value the importance of technology in the human resources environment and effectively incorporate it into human resources forecasting and planning, payroll and benefits administration, employee evaluations, and both the recruitment and retention of employees.
 6. Demonstrate an understanding of the key functional areas of business including accounting, economics, finance, management, and marketing and their effect on human resources decision-environment.
- Master of Business Administration (MBA)
 1. Evaluate the impact of ethical and legal principles on decisions within your organization and determine a solution that is aligned with your personal and organizational values and legal responsibilities.
 2. Evaluate how using cultural analysis and strategic alignment can increase size, scope, production and revenue of organizations in the global environment.
 3. Formulate sound business decisions based on quantitative and qualitative analysis and defend such decisions and analysis through superior oral and written communication using APA guidelines.
 4. Integrate technology into business operations to maximize efficiency and effectiveness.
 5. Integrate the key functional areas of business – accounting, finance, marketing and management to implement an organization's strategic plan and to predict its successes and failures in the business environment.
 - Master of Management (MM)
 1. Apply the functions and responsibilities of management.
 2. Analyze financial data in order to determine the financial performance of a company, and integrate those factors into managerial decision making.
 3. Formulate a marketing strategy based on realistic opportunities and tempered by organizational constraints.
 4. Develop and implement effective human resource plans which support the organization's strategic goals.
 5. Identify and adapt leadership and communication styles when working with diverse internal and external constituents.
 6. Examine the ethical environment of business, consider the impact business has on various stakeholders, and use this information to make socially responsible decisions.
 7. Evaluate the impact of globalization, technology, diversity, and competition on management.

8. Utilize effective decision-making, including: determine challenges facing an organization, conduct research, collect data, formulate and analyze alternative solutions, implement a strategy, and apply quality control measures to insure continuous improvement.

- Master of Science in Taxation (MST)
 1. Acquire the competencies needed for obtaining or advancement in taxation careers through a professional business education, assessment, self-reflection, and skill development.

b. Performance Results

Complete the following table. Use a maximum of three or four examples, reporting what you consider to be the most important data. It is not necessary to provide results for every process.

Student Learning Results (Required for each accredited program, doctorate, masters, and baccalaureate)

Standard #5 Faculty and Staff Focus

Complete the following table. Use a maximum of three or four examples, reporting what you consider to be the most important data. It is not necessary to provide results for every process.

Standard 5 - Faculty- and Staff-Focused Results

<p>Faculty and Staff Focused Results</p>		<p>Faculty and staff-focused results examine how well the organization creates and maintains a positive, productive, learning-centered work environment for business faculty and staff.</p> <p><i>Key indicators may include: professional development, scholarly activities, community service, administrative duties, business and industry interaction, number of advisees, number of committees, number of theses supervised, satisfaction or dissatisfaction of faculty and staff, positive, productive, and learning-centered environment, safety, absenteeism, turnover, or complaints.</i></p>

- A = Scholarship of Teaching
- B = Scholarship of Discovery
- C = Scholarship of Integration
- D = Scholarship of Application

Standard #6 Educational and Business Process Management

a. Describe how you routinely provide reliable information to the public on your performance, including student achievement.

We routinely provide reliable information to the public through the following website:

<http://www.fontbonne.edu/academics/academicresources/collegeofglobalbusiness/assessment/>

b. Curriculum

1. List any existing accredited degree programs/curricula that have been **substantially revised** since your last report and attach a Table - Standard 6, Criterion 6.1.3 – Undergraduate CPC Coverage for each program.
- The Bachelor of Human Resource Management (FKA Bachelor of Arts in Organization Studies) is currently under revision. We have proposed a name and curriculum changes to the degree program to make it more reflective of what it is and to meet ACBSP's CPC requirements. A table of the proposed new curriculum is found at the end of this report.
2. List any **new** degree programs that have been developed and attach a Table - Standard 6, Criterion 6.1.3 – Undergraduate CPC Coverage for each new program since your last report.
- Undergraduate programs: (CPC coverage table found out the end of the report)
 - Bachelor of Arts in Corporate Communication – this program is currently under review as we are deciding on whether to infuse the CPC requirements into the program or to eliminate the program, therefore a CPC coverage table is not included for this program.
 - Bachelor of Science in Sports & Entertainment Management
 - Bachelor of Science in Accounting
 - Bachelor of Science in Marketing
- Graduate programs:
 - Master of Science in Accounting
 - Master of Science in Nonprofit Management
 - Master of Science in Supply Chain Management
3. List any accredited programs that have been terminated since your last report.

- None

Complete the following tables. Use a maximum of three or four examples, reporting what you consider to be the most important data. It is not necessary to provide results for every process.

Standard 6 - Budgetary, Financial, and Market Results

Budgetary, Financial, and Market Performance Results		Analysis of Results			Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)												
Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken (occurs in the following year)													
Efficient use of budget	Approved budget	We are efficiently using the budget we are given every year to improve our programs, despite the lower enrollment and poor economy.	We are working to increase enrollment which will increase our budget.
