

The following information is intended to help you determine how the courses you've already taken, or those you plan to take, transfer into Fontbonne University's general education curriculum. This information is intended as a guide, and you're encouraged to consult with your transfer counselor at Fontbonne as well as an advisor at Jefferson College to ensure that you're on track with all requirements.

- Fontbonne University requires 42 credit hours of general education coursework. The classes below are offered at Jefferson College and fulfill the various categories of Fontbonne's general education curriculum. Please note that some majors have specific general education courses within these categories that will satisfy both general education and major requirements.
- Students who have graduated from a Missouri community college with an associate of arts degree and have completed the Missouri 42 credit hour general education block will have satisfied Fontbonne University's general education requirements, with the exception of any specific general education requirements the major requires.
- Students who have not met the Missouri 42 credit hour general education block will have a course by course evaluation completed. Students planning to transfer to Fontbonne are encouraged to take their general education courses at the community college. Please refer to this general education transfer guide, but also consult with your transfer admission counselor.
- A maximum of 64 credit hours may be transferred from a community college or two-year institution.
- A maximum of ½ of major coursework may be transferred in to Fontbonne University.

As is mentioned above, the following is a list of courses offered at Jefferson College that fulfill the various categories of Fontbonne's general education curriculum. Again, please note that some majors have specific general education courses within these categories that will satisfy both general education and major requirements.
