Name of Applicant:

Name of Recommender:

Relationship to Applicant:

The TELOS Honors program at Fontbonne University seeks students who are intellectually curious and motivated for holistic development of themselves and their community, in and outside the classroom. It is interested not only in traditional markers of academic success (e.g., GPA or ACT) but seeks unique and diverse experiences, qualities, and individuals who will contribute to a thriving community of learners and thinkers and will be willing to challenge themselves academically and personally.

Please describe whether and how you believe the candidate will be a good addition to the TELOS Honors Program at Fontbonne University:

Completed forms should be returned via mail or in person to:
