

The following information is intended to help you determine how the courses you've already taken, or those you plan to take, transfer into Fontbonne University and your preferred bachelor's degree program. This information is intended as a guide, and you're encouraged to consult with your transfer counselor at Fontbonne as well as an advisor at St. Charles Community College to ensure that you're on track with all requirements.

- Fontbonne University requires 42 credit hours of general education coursework. Please note that some majors have specific general education courses that will satisfy both general education and major requirements.
- Students who have graduated from a Missouri community college with an associate of arts degree and have completed the Missouri 42 credit hour general education block will have satisfied Fontbonne University's general education requirements, with the exception of any specific general education requirements the major requires.
- Students who have not met the Missouri 42 credit hour general education block will have a course by course evaluation completed. Students planning to transfer to Fontbonne are encouraged to take their general education courses at the community college. Please refer to the general education transfer guide for St. Charles Community College.
- A maximum of 64 credit hours may be transferred from a community college or two-year institution.
- A maximum of ½ of major coursework may be transferred in to Fontbonne University.

The following is a list of courses offered at St. Charles Community College that are equivalent to courses at Fontbonne University and are applicable towards this major:

Degree Offered: Bachelor of Science

Major: Dietetics

Fontbonne University	St. Charles Community College
<b>Dietetics</b>	<b>Equivalent Credit</b>
BIO 220: Anatomy and Physiology I w/Lab	BIO 240/243: Anatomy and Physiology I with Lab
BIO 222: Anatomy and Physiology II w/Lab	BIO 241/244: Anatomy and Physiology II with Lab
BIO 250: Microbiology w/Lab	BIO 245/247: Microbiology with Lab
BUS 230 Management Principles	BUS 201: Principles of Management
*CHM 106: General Chemistry I w/Lab	CHM 115: General Chemistry I with Lab
*CHM 108: General Chemistry II w/Lab	CHM 116: General Chemistry II with Lab
CHM 210: Organic Chemistry I w/Lab	CHM 240: Organic Chemistry I (Lab still required)
MTH 105: College Algebra	MAT 160: College Algebra
PSY 100: Introduction to Psychology <b>OR</b>	PSY 101: Introduction to Psychology
PSY 200: Developmental Psychology	PSY 210: Human Growth and Development
*Fontbonne's Dietetics program offers a unique sequence of chemistry courses: CHM 128 General, Organic, and Biological Chemistry I, CHM 228 General, Organic, and Biological Chemistry II, and CHM 338 General, Organic, and Biological Chemistry III. Students who take CHM 115 and CHM 116 at St. Charles Community College will have satisfied CHM 128. Students who take CHM 240 will have to take the lab component at Fontbonne to satisfy CHM 228. There is no equivalent for CHM 338 at St. Charles Community College.
