By signing below, I acknowledge that the Tuition Discount is applicable to tuition only and cannot be combined in addition with other forms of institutional aid (i.e. Fontbonne grants, scholarships, additional tuition discounts, etc.). I understand receiving a discount on undergraduate tuition is reserved for part-time enrollment during the Fall and Spring semesters (no discount received during Summer or on any course billed at a lower tuition rate) and will not be applied to fulltime undergraduate enrollment (12+ credit hours per semester). It is also my understanding that any change in my enrollment may result in an adjustment of my discount, and I assume all charges resulting in this enrollment/tuition discount revision.
