

# INTERNATIONAL STUDENT FINANCIAL AID APPLICATION

2020-2021

To be eligible to apply for financial aid, an international student must be enrolled as a full-time student (12 credit hours or more) in an Undergraduate degree-seeking program.

#### **GENERAL INFORMATION ABOUT THIS APPLICATION:**

The International Student Financial Aid Application is designed to gather information from international students (F1 and J1 Visa) who are applying for financial aid as an Undergraduate student at Fontbonne University. This form assists the Financial Aid Department to determine demonstrated financial need. Financial need itself does not guarantee that a student will receive a grant or a scholarship. Awards are not designed to meet the student's entire financial need. They are designed to supplement the student's other financial resources, permitting limited funds to assist the largest number of students.

On this application "parents" mean the custodial parents or legal guardian the student lives with. If the student's biological or adoptive parents are divorced or separated, the custodial parents are the parents with whom the student has lived with the most during the 12 months prior to filling out this application. If the custodial parent has remarried, the "parents" include the student's biological/adoptive parent and stepparent.
