If interested in participating, the student will need to secure a work-study position. These jobs are posted at the following link: <https://app.purplebriefcase.com/pb/account/login/>

Fontbonne Promise - Students who qualify for Fontbonne Promise will receive a financial aid award that covers full tuition and fees. Fees include new student orientation, course, resource, and graduation fees. Fees do not include items such as textbooks and a parking pass. The scholarship funding will be made possible through a combination of state aid, Fontbonne aid and donor contributions. Future funding will depend upon student completing FAFSA by February 1st and there is not a significant change in your expected family contribution. Renewal is contingent upon the student maintaining academic progress.

General Messages and Additional Information

Your financial assistance assumes full time enrollment (12+hours). Please notify your financial aid counselor for any change in enrollment and/or housing type as this may result in a change to your financial assistance.

Additional Information

Financial awards recognizing outstanding student achievement are generously supported by donors to Fontbonne University. The University provides opportunities for select students to interact with these donors in various stewardship activities. Outstanding students who are chosen to participate in these activities will be notified at a future date.

In keeping with the excellent achievements demonstrated to receive scholarship awards, renewal of these awards will require you to meet the requirements of your scholarship and abide by the Code of Conduct as outlined in the current Student Handbook.

The Financial Aid Office reserves the right on behalf of the University to review and cancel an award due to changes in FAFSA financial/household data, housing, aid sources, academics, regulations, appropriations or processing errors. The combination of all aid (grants, loans, scholarships and work-study) may not exceed total cost of attendance.

Missing financial aid documents (verification, etc.) may cause a delay in disbursement of aid. Please make sure to turn in all required documents in a timely manner.

Email is the official method of University communication. Notification of future award changes and/or requests for additional information to complete the processing of your aid will be sent to your Fontbonne email address. **We recommend checking your email on a weekly basis to ensure timely receipt of information.**
