2 When the event is scheduled to begin, click on the hyperlink below **Join Zoom Meeting**.

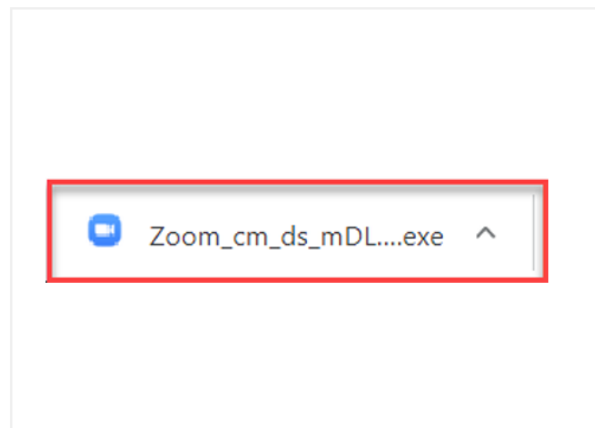

3 If you have previously installed Zoom on your computer a new window will open with a pop-up box. **Click on Open Zoom Meeting.**

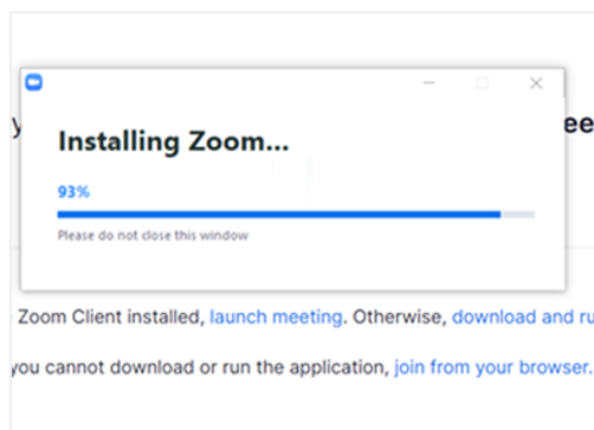

4 If you have not downloaded and installed Zoom on your computer, when the new window opens you can **click join from your browser.**

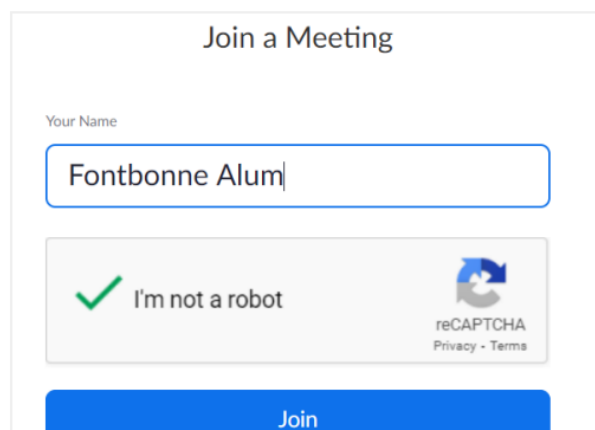

5 You can also download and install Zoom by **clicking on download and run Zoom**.

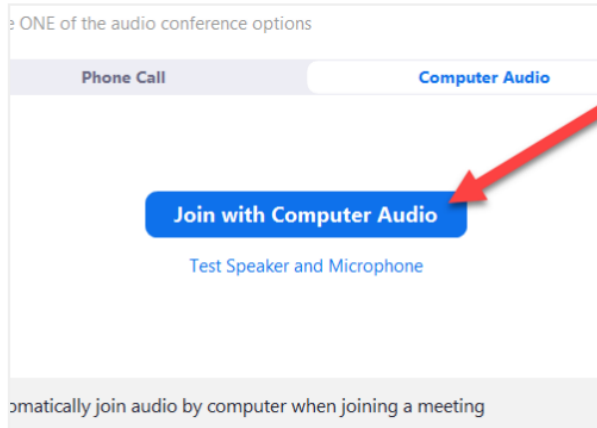

6 A small box will appear at the bottom left of your screen showing that Zoom is downloading. Once it is completed, **click on that box**.

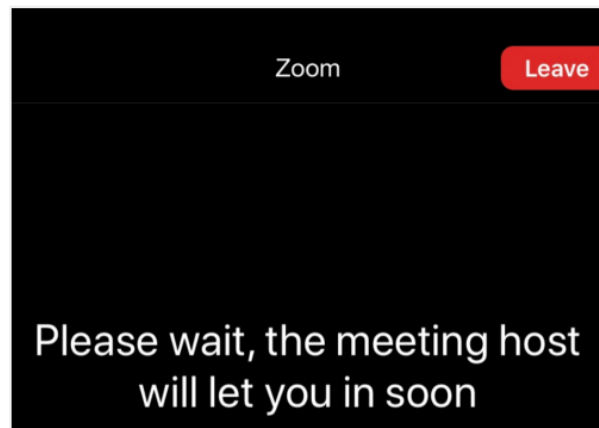

7 A new window will pop-up showing that Zoom is being installed on to your computer.

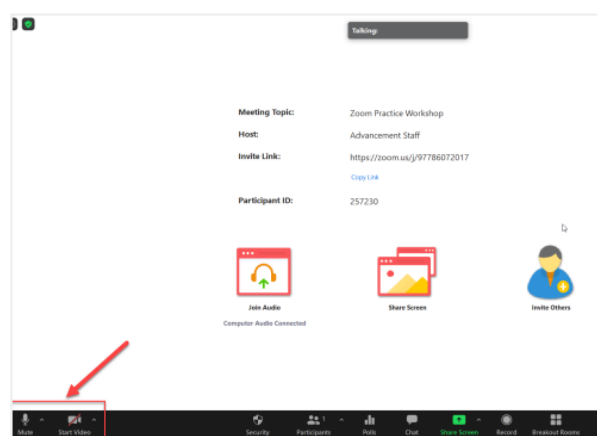

8 A new screen may then pop-up asking you to enter your name. Please enter your name, check the box that you are not a robot and then click to join the meeting.

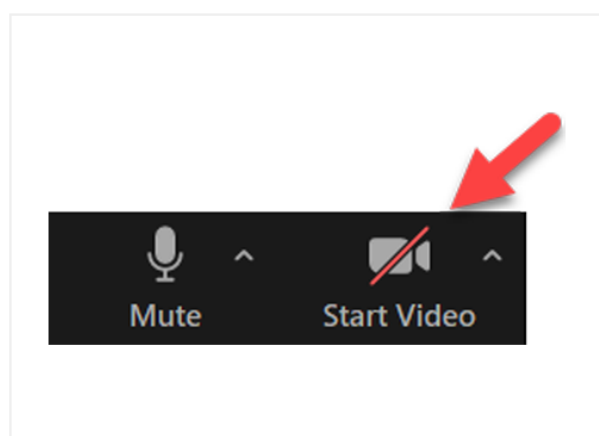

9 After following step 3, 4 or 5 to load Zoom, a pop-up will appear regarding audio. Click on **Join with Computer Audio**. This will allow the sound to play through your computer.

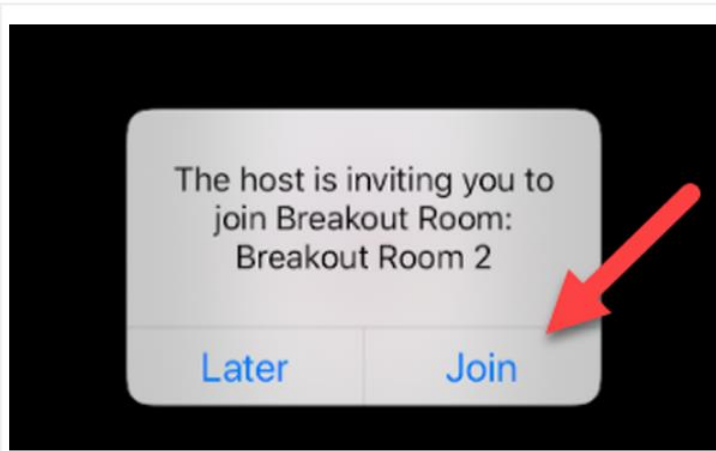

10 You will now be in the **Zoom waiting room**. This is an added security measure used by Fontbonne. The host will let you in the event from the waiting room.

11 Once the host approves your entry, you will be in the Zoom event. **Please turn on your microphone and video to participate**. These buttons are located on the bottom left corner of the screen.

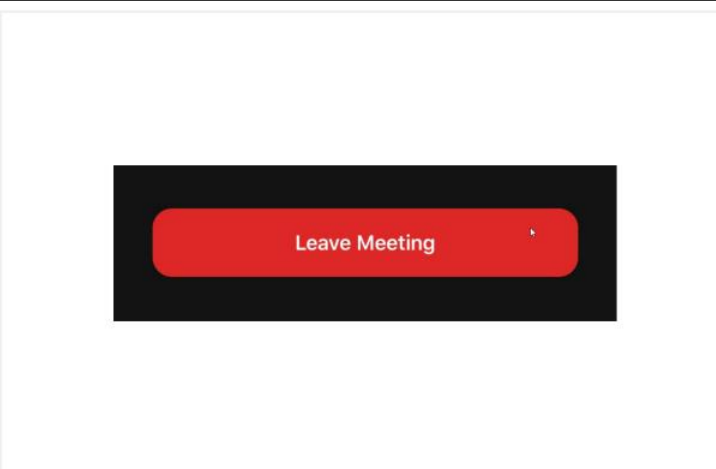

12 If the microphone or video is turned off there will be a red slash across the icon, like in the image above. **Click on the icons to turn these features on and off**.

13

Once in the Zoom event, the host may send you to a Breakout Room for small group interaction. A pop-up window will appear inviting you join the Breakout Room. **Click join.**

14

To leave the event, **click on the Leave Meeting** button on the bottom right hand corner of the screen.
