Financial Aid

FINANCIAL AID

FOLLOW THIS CHECKLIST TO MAKE COLLEGE AS AFFORDABLE AS POSSIBLE.

- File the FAFSA at www.fafsa.gov. Make sure you are using the correct FAFSA form for the year in which you will be enrolling. Add Fontbonne's school code (**002464**) to get a complete financial aid estimate.

ATTN: Remember to file the FAFSA (FAFSA.gov) each year before February 1st to meet Fontbonne University priority deadline.

- Contact your admission counselor to find out if you might be eligible for Fontbonne talent or recognition scholarships.
- Search for outside scholarships. There are many scholarships available that go unawarded because students don't apply for them.
- Attend any financial aid planning nights that are available through your high school or community organizations.
