

2021-2022 Verification Worksheet - Group V1

Independent Students

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The federal law states that before awarding Federal Student Aid, we must ask you to confirm the information you (and your spouse, if applicable) reported on your FAFSA. To do this, we will compare your FAFSA with the information on this institutional verification document and any supporting documents. If there are differences, your FAFSA information may need to be corrected and/or we may ask for you to submit additional documentation. **You (and your spouse, if applicable) must complete and sign this institutional verification document, attach any required documents and submit the form to us within fourteen business days.** If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

- Link to the IRS using the IRS Data Retrieval Tool (DRT) via your FAFSA Application. To do this, visit www.fafsa.ed.gov to login to your FAFSA application and select “make corrections.” The IRS DRT is located in the financial section of the student portion of the FAFSA.
- Provide a 2019 **Tax Return Transcript** or a signed copy of IRS Form 1040. Transcripts may be requested at www.irs.gov/Individuals/Get-Transcript or by calling 1-800-908-9946.
