Exhibit Description:

The Gallery of Fine Arts at Fontbonne University is curating a show called "Spiritual Visions". Artists are encouraged to submit artworks that are inspired by their own religious background or inner spirit. "Spiritual Visions" is an exhibition that celebrates the diversity of all religious beliefs. There is no fee to apply to this juried show, a maximum of 40 pieces will be included in this exhibition. Please join us as a participating artist and/or patron to our opening reception January 27th for this celebration of life and the human spirit.

What is the St. John's Bible?

As part of our centennial celebration this year, Fontbonne University is honored to have on campus the 6th volume of The Saint John's Bible, the first handwritten, hand-illuminated Bible in over 500. The Saint John's Bible illuminated manuscripts were created by a diverse group of artists, using imagery and styles intended to welcome all to the stories in the text.
