THREE SENIORS ARE NAMED TO KAPPA GAMMA PI

Virginia Lucas Chosen Association President At Student Assembly

Gertrude Bey, Ann McNamara, And Laura Lorenz Hold Other Offices.

As the last meeting was called to order by the student body at the assembly period on Monday, April 9, electing Virginia Lucas to the presidency of the student body, Miss McNamara and Miss Lorenz were chosen as first and second vice-presidents, respectively. Miss Bey was chosen as associate secretary of the assembly, and Miss McCall, treasurer.

Miss Lucas, who will succeed Miss McNamara, the present head of the organization, has taken a part in many student activities throughout her three years at Fontbonne. As a freshman, she was president of her class. This year she is serving as secretary of the Student Association. Miss McNamara is business manager of the Pioneers, and Miss Lorenz is a member of the Social Club, and is also a member of the Student Council and vice-president of Delta Phi.

The Student Association is comprised of all the students enrolled at Fontbonne. All important questions relating to student life are discussed at the meetings of the association. The functions of the association are in charge of arrangements for College Day, for the annual freshman reception, and for other social and curricular activities.

Catherine Scullin, Sodality Prefect, Will Be Crowned May Queen at Campus Ceremonies Preceding Chapel Services

May, the month of the Blessed Virgin, will be ushered in at Fontbonne with the crowning of Catherine Scullin, the May Queen. The queen was selected among the students at a recent assembly. She is the daughter of Mr. and Mrs. Charles Scullin of this city, a member of the senior class, and president of the Sodality of Our Lady. Student of honor, who have been elected by each class, will attend the queen. They are: Margaret Bernard, senior; Mabel (Buck) Jackson, Sophomore; Regina Sanchez, sophomore; Patricia (Babe) Scullin, freshman. Virginia Duval, a member of the Junior class, will be elected as the Sodality of Our Lady's. Misses Hulst and Elizabeth M. Gaffney, of the Sodality of Our Lady, will be the queen of honor and attend the queen.

A local ride on the R. R. President was inaugurated by the Association last year. This year's ride was that this year's edition would contain an actual feature of the pre-assembly activities. The association and the Student Council have been arranged for this year's local ride.

Choice of Students For Honor Sorority Decided by Faculty

Students Elected on Bases of Scholarship, Leadership, And Character.

Three members of the graduating class, Helen Moran, Catherine Scullin, and Leonora Mayer, were selected by the faculty last week for membership in Kappa Gamma Pi, national Catholic sorority. The 75 members of the student body received the highest number of faculty votes, being chosen on the basis of scholarship, character, leadership, and colonial service.

The organizing committee of one student for every ten Fontbonne's quota for 1935 is three members. Six seniors were nominated for the society, including the three successful candidates and Helen O'Brien, Eleanor Mantel-Thorn, and Laura Hoffman.

Six students will graduate in June with honors. Helen Moran will receive the degree of bachelors of science in biology; Catherine Scullin, bachelor of arts in English; Leonora Mayer, bachelor of arts in music; Helene O'Brien, bachelor of arts in English; Eleanor Mantel-Thorn, bachelor of arts in English; Jane Hoffman, bachelor of arts in English; and Leonora Mayer, bachelor of arts in English. Now We Are Raising
A Racket About Rackets

We are in the midst of the season when the drama, fatal to scholastic permits and ambitions, is at its peak. Student essay begins to wander from textbook and blackboard in the newly green foliage and blue skies. It is not only, but that each session attains the point which is taken from the winter quarters and expected to make sure that they are able to trace the strain of another vigorous season.

Complaints have been made concerning this condition for many years, but, as usual, not to the proper authorities. We appeal to the name of the school for a more prompt action in this detail. The gymnasium, swimming pool and track are always kept in excellent condition during the period in which they are in demand. The basketball, tennis, swimming and track meets are carried off in a most commendable fashion. But the tennis enthusiasts are forced to delay their tournament until the last week of school, which it is claimed is because of the lack of interest in the sport.

We are all aware that the tennis is one of the most important scholastic activities, yet, by a process of simple addition, we come to the conclusion that the number of students at football games or track meets is only a small number in comparison to the total number in school.

The girls are always absent in class now at assembly meetings at 11:00 on Friday mornings, evidently devoted to interest in the activities of the school. Wears we to have another assembly at every fourth assembly period some other activity or business would have to be neglected and attendance being compulsory would indicate another tennis or track meet.

Speaking with the authority of a regular student body, I can say that each meeting this year has been well attended by the faculty, faculty members and students. The meeting this year has been well attended by the faculty, faculty members and students.

Sincerely,
 confidential, 

H. B. Glonek.

The Story of the Font

The Font is an annual award bestowed upon the outstanding member of the senior class. It is considered one of the highest honors a Catholic Layman in the United States can receive. The recipient of this honor is announced on the Senior Class Day, and he receives the medal at the Annual Graduation Exercises of the University.

The custom originated with the presentation of the Pope in giving the Golden Rose to a member of the Italian Catholic College in the fourth Sunday of Lent: Lactantius. The American tradition began at Notre Dame when the first annual award was made in 1920 upon the publication of a book on the subject.

The Font, known in the United States, was the first literary periodical in the United States, was the first literary periodical in the United States.

Undeclared Freshman Team Captures Basketball Trophy

The old minstrel round makes room for the new. However, the annual minstrel rehearsal is taking place for the first time in basketball, but the tradition of the show remains as strong as ever.

The tournament was held tonight. The team had a definite objective in mind. The freshmen were eager to secure the title for their class, and they were successful. The freshmen team was the winner, defeating the sophomores by a score of 15-10. The final game was played on April 4, and the freshmen were cheered on by a group of enthusiastic fans. The score was 45-12 when the final whistle blew. Miss Marie Hanes, director of the athletic department, presented the trophy to Mary Kaye Collins, captain of the winning freshman team.

The lineup for the final game was as follows:

Leper Colony Superior Sends Letter to Sadodity Chairman

From the Leper colony at Nyermo, Jibga, P. D., Uganda, British East Africa, there recently came a letter to Antoinette Buitman, chairman of the Apostolic Committee of the Society of Our Lady. This communication was a "thank you" note for the bundle of clothing sent to Uganda by the Sadodity. These bundles were collected by the Apostolic Committee during "Tony's Old Clothes Drive" held last December.

Mother M. Annunciata, O.F.R., superior of the St. Francis Leper Camp, wrote the letter, expressing her gratitude to the Sadodity organization vividly described conditions which made such help as old clothes necessary.

A portion of her letter follows:

"I am grateful for all the help you are giving us, and I want to thank you for the kindness you are showing us. We are very thankful for the clothes you have sent us. We have never had so many clothes as we have now. We are very happy to have them."

Affirmative Wins Debate in Freshman Religion Classes

These two preliminary debates were held March 31 and 37. The affirmative defeated the affirmative in both instances.
