Students See Worth Of Science Here

A. Murphy and G. Noonan Read Papers; Science During War Discussed

By BARBARA RAUPP

The War and Scientific Study

War has not lessened the importance of science. It has heightened its value. Interest in science has increased, and the need for scientific knowledge is greater than ever. Scientists are working together to find solutions to problems that arise during times of war.

The Importance of Science in Times of War

Science is crucial during times of war. Scientists work tirelessly to develop new technologies and strategies to help the war effort. They also study the effects of war on people and the environment, which is essential for planning for the future.

In summary, science remains an important field during times of war, and its importance cannot be overstated. It is through the efforts of scientists that we are able to overcome challenges and emerge stronger.

Thirty-Six Rank On Dean's Honor Roll

Edwina Wright and Jean Houlebain Head Publications Staff

Edwina Wright, the editor of the Fountaine College, has recently been elected to the honor society. She is the editor of several publications, including The Fountaine, which is the college newspaper. Wright is also a member of the Science Club and has published several articles on science-related topics.

One Thousand Students Will Participate in Music Week Concerts

The fourth annual Music Festival, which this week will be held in the auditorium, was attended by thousands of students. The festival featured a variety of musical performances, including choral groups, instrumental ensembles, and soloists.

Students Elect New Leaders for 1943-1944

To Guide Their All-School Activities

Students Elect New Leaders for 1943-1944

The students of the college have elected new leaders for the upcoming academic year. The new leaders will guide their all-school activities and help to shape the direction of the college.

In the wake of the Japan attack, a group of students organized a rally to show support for the war effort. They also organized a drive to collect funds for war bonds. The drive was successful, and many students participated.

War Bond Drive Passes $10,000 Mark

The War Bond Drive at Fountaine College has passed the $10,000 mark and the total continues to rise every day. At the present time the drive has totaled $11,200.

Mary Lou Moseley, President of the Fountaine College, announced that the drive has been a success and that the students should continue to encourage others to participate. The drive is scheduled to continue until May 1.

Reverend Daniel Lord

To Speak May Day

Reverend Daniel Lord will speak on May Day. His topic will be the importance of education and the role of the church in promoting it. The Reverend is a well-known speaker and is expected to deliver an inspiring speech.

In the wake of the Japan attack, a group of students organized a rally to show support for the war effort. They also organized a drive to collect funds for war bonds. The drive was successful, and many students participated.

On May Day, the students of the college will gather to celebrate the holiday and to show support for the war effort. The day will feature speeches, music, and other activities designed to raise morale and promote unity.

In the wake of the Japan attack, a group of students organized a rally to show support for the war effort. They also organized a drive to collect funds for war bonds. The drive was successful, and many students participated.

Magazine Exchange Increases Library Files 460 Issues

There has been an interesting scenario at the library this year. The magazine exchange has been successful and has increased the number of items available at the library. The library also has received a large number of new books, which have been added to the collection. This has increased the number of items available for borrowing and has increased the library's popularity among its patrons.

between the Lockers

It is true that many books that were returned to the library were not available for checkout. However, the library has worked hard to ensure that all books are returned on time and that all patrons have access to the books they need. We encourage all patrons to return their books on time to ensure that everyone has access to the library's resources.

The annual Spring Card Party and Fashion Show sponsored by the Panhellenic Association will be held on Friday, March 4 at 8 p.m. in the Library. All members of the Panhellenic Association are invited to attend. The event will feature a fashion show, a dance, and refreshments. Admission is $5 per person. All proceeds will be donated to the local charity, the Homeless Shelter.

The annual Mother's Club holds Annual Breakfast on Friday, April 8, 2011, at the St. Louis Country Club. The event will feature a buffet breakfast and a guest speaker. All mothers and their families are invited to attend. Tickets are $20 per person. For more information, contact the Mother's Club at 555-5555.

Justice Reigns Supreme

How many of us have honestly thought about the freedom we enjoy as people of a great democracy—that freedom which is ours to use or abuse for the good or the detriment of society—the right and privilege of franchise.

Justice is a responsibility and an honor. It is the duty of all citizens to elect the right to the best of our ability. The reasoning on the sides of those elected is governed by the voter, to be decided by the voter, and to be decided by the voter, and to be decided by the voter, and to be decided by the voter.

Students of Catholic schools and colleges should endeavor to realize that the right to choose a leader in the realm of their affairs, in which they have honestly and fairly chosen, without discrimination and prejudice is a true and lasting acceptable citizenship as active members of society.

We at Fortress have realized our choice—our actions for the coming year have been chosen. Let us understand that our work is with our fellowmen not only the ideals of Fortress and of ourselves but ever with the thought that honesty and justice shall reign supreme.

Press Club Benefit

Don't forget to buy some of those items from Press Club members. April 30 is the day. You may be the lucky person

Alumni Will Sponsor Card Party

The annual Spring Card Party and Fashion Show sponsored by the Panhellenic Association will be held on the evening of May 1. A feature of the evening will be the fashion show featuring the latest styles and trends. All proceeds will be donated to the local charity, the Homeless Shelter.

The event will feature a fashion show, a dance, and refreshments. Admission is $5 per person. All proceeds will be donated to the local charity, the Homeless Shelter.

Exam Schedule

The final examination schedule for the last session of the academic year, 1940-1941, is as follows:

- Monday, May 1, from 8:30 to 12:30: all English, history, and social science classes.
- Tuesday and Thursday morning: all English, history, and social science classes.
- Tuesday and Thursday afternoon: all English, history, and social science classes.
- Wednesday, May 3, from 8:30 to 12:30: all fine arts classes.
- Thursday and Friday classes: 8:30 to 12:30 and 1:30 to 5:30.

Mothers' Club Holds Annual Breakfast

On Friday morning, April 8, the Mother's Club will host its annual breakfast. The event will feature a buffet breakfast and a guest speaker. All mothers and their families are invited to attend. Tickets are $20 per person. For more information, contact the Mother's Club at 555-5555.

"Women's Problems" by Harriet Ann Pilkington, Maryville College, St. Louis.
Following the morning discussions lunch was served in the college cafeteria, Dr. W. C. Flack, chancellor, President of the Missouri Academy of Science and professor of biology at St. Louis University, and Dr. C. V. Mass, of the Engineering Department of the School of Mines, Rolla, Missouri, were guests.

The installation dinner of the Missouri Academy of Science was held at the King’s Arms Hotel, and the speeches made by Dr. Flack and Dr. Mass were received with enthusiasm.

Sophomore Rides to Victory

The annual Sophomore Horse Show was sponsored by the Academy of Science on April 9 and 10 before the large audience in its history. The event was a success in every respect, and the prizewinners were well deserving of their awards.

Evelyn Arndt won the first prize in the Academic Division, a silver cup, for her painting of a horse jumping fence. The second prize was awarded to Margaret Davis for her painting of a horse in motion. The third prize went to Elizabeth Brown for her painting of a horse in a field.

The College Academy of Science, under the direction of Mr. W. C. Flack, will hold a series of meetings with special speakers each month. The next meeting will be held on April 20, featuring a talk on "The Evolution of the Human Race" by Dr. James McNally, of Maryville College, Ill.

Sodalists Elect Senior As Maid for Union May Day Celebration

At the last Sodality meeting, Betty Roll, secretary-treasurer, was chosen to be Sodality's candidate for the election for the Sodality Union May Queen. This May crowning will be held at Fontbonne on Sunday, May 14.

Our Lady's committee sponsored special devotion to Divine Mercy on her feast day, April 19. Many sodalists joined in saying the "Seven Dolors Hymn." A discussion of the Four Freedoms will close the meeting. In addition to this, a feature concerning the Pope's plan to build a church in his own province to be named in honor of Jesus is also planned.

Legionaries Assist With Catholic Rural Life Work

The Legion of Mary proceeded honoring Our Blessed Mother at the title of Our Lady of Fatima. This is the official day to honor the Immaculate Heart of Mary.

The work is being carried on through the Catholic Rural Life Conference of which Legionnaire Stock is District Director. Many of the members have arranged their time in helping Father at St. Mary's Hospital.

Mr. Frank Sheed Addresses Students

Mr. Frank Sheed, the publisher, spoke to the students about the sale of the Weekly, and how the sale is vital to the success of the paper. He discussed the future of the paper and how it will continue to thrive.

Classical Club

The members of the Classical Club are planning a trip to visit Europe in the near future. They are also planning to participate in the National Latin Week, from May 3 to May 9.

Natural Sciences

Delta Phi

"He's my hero and Delta Phi, too!" There will be a Memorial Day at the meeting, which will include a silent auction and refreshments. The proceeds will be donated to the National Society of the Blind.

Social Sciences

Fontbonne Athletic Association

Martha Cawley was elected president of the Fontbonne Athletic Association at the last meeting. The association will hold a banquet on May 16, with plans for a dance and dinner to follow.

Social Peace Club

The Social Peace Club will hold its annual meeting on April 18, at the home of Dr. Anthony Clevenger. The annual dinner will be held on May 2, with plans for a dance and dinner to follow.

Humanities

Sigma Beta Mu

The Sigma Beta Mu banquet was held on April 18. Among the speakers were Father John O'Gorman and Sister Mary Joseph. The banquet included a dinner and a dance.

Mission Unit Continues Drive for Literature And Religious Articles

The Mission Unit has been collecting Catholic literature and religious articles, and prayer books to be sent to the various camps. A package of religious articles was sent to Father Aron in Florida, one of the letters was sent to Father Aron in England. Father S. C. M. is continuing to collect money for Father Aron to purchase religious articles for boys in the orphanage in Ireland.

Fine Arts Diaries

March 18

On the first day of St. Patrick's Day, the students were dressed in green, and the entire school was decorated with green decorations.

April 1

April Fool's Day We all woke up to find our desks covered in fake grass, and the halls were decorated with fake flowers and balloons.

April 4

We all dressed up in green and went to the annual St. Patrick's Day parade.

Faculty Members Meet German Presentation

The German students presented a play about the life of Martin Luther. The students performed in both German and English, and the performance was very well received.
