Prayers Help 'Operation Prayer'

Next month, on May 7th, is 'Operation Prayer' Week, the annual "battle of words." What will God say in response?

The religious leaders have organized a week-long prayer movement, which they hope will help influence the nation's leaders, and it is called America's Sodality of Faithfulone to join our nation in this prayerful effort to "fight against the spirit of communism."

America's Sodality of Faithfulone was founded in 1960 by Dr. John Ehrlichman, and it is made up of religious leaders from all walks of life. The organization's goal is to pray for the safety of our country and to promote a spirit of unity and prayer among all Americans.

The Sodality of Faithfulone holds prayer meetings and rallies across the country, and it distributes prayer pamphlets and flyers to millions of Americans. The group also provides a 24-hour prayer hotline for those who wish to pray.

Join the Sodality of Faithfulone today and help fight against the spirit of communism in our country.
